

ROTOMOLDING OPEN HOUSE

INVITATION - ROTOMOLDING OPEN HOUSE 2017

Maag is your competent machinery supplier for size reduction of polymers and micro-pellet production when it is about manufacturing of materials used in Rotational Molding. Pulverizers from Reduction Engineering and Gala Underwater Pelletizing Systems have been successfully in use for these applications for many years. During our ROTOMOLDING OPEN HOUSE, we would like to present our combined know-how and kindly invite you to participate, inform yourself and establish new contacts.

Highlights:

- **Technical Presentations** including practical examples
- **Pulverizer and Underwater Pelletizer in live-production**
- **Expert Corners** to discuss your specific questions and demands
- **Processing of powder and micro-pellets** on a table-top Rotomolding machine

Tuesday, November 21st 2017

from 09:00 a.m.

at Maag Automatik in Grossostheim, Germany

We hope, this finds your interest and look forward welcoming you in person. Please register until 10.11.17 online at: www.maag.com/en/rotomolding

We are convinced to have an interesting event with you!

Alaaddin Aydin

Managing Director
Maag Automatik GmbH

Michael Eloo

Managing Director
Gala Kunststoff- und Kautschukmaschinen GmbH

On the previous day to our OPEN HOUSE, the German ARM-CE (Association of Rotational Molding (Central Europe) e.V.) will have a dinner reception - we cordially invite you to participate. Use the evening to network and exchange with colleagues from the industry. The reception starts at 18:30 p.m. at Columbus Hotel, Seligenstadt. A room contingent is reserved in B&B Hotel. You can book your room under the keyword "Rotomolding". A shuttle from [B&B Hotel](#) to the dinner reception and back to the hotel is organized.
